Lesson 8.2 Graphic Organizer

Give One, Get One

Before reading Lesson 8.2, list facts you already know about people's tobacco use in the Give One column of the table below. In the Get One column, list facts you learn as you read. After you finish reading the lesson, team up with a classmate and discuss each other's lists. Are there items you would add to your list?

Give One (facts I already know)	Get One (new information)
