

Chapter 11

Name _____ Date _____ Period _____

Lesson 11.5 Graphic Organizer

Focus on Disease Prevention

As you read Lesson 11.5, list the ways to prevent or reduce the risk of communicable and noncommunicable diseases in the table below. Identify as many details as you need for each prevention method. When you finish reading the lesson, team up with a classmate to discuss each other's lists. What items do you need to add?

Preventing Communicable Diseases	Preventing Noncommunicable Diseases
